

From our Community Lay Director...

De Colores and Greetings To All,

Wow, where did the summer go? I can't believe that the Fall Flights are upon us already.

It seems as just yesterday (actually June), while serving on a mission trip to Haiti, that I received an email from Doug Mager informing me that the Board had voted me in as the "new" Community Lay Director. My first reaction was no way.....I made all kinds of excuses in my mind of why I "couldn't or wouldn't" do it.

The day following Doug's email, a dear friend of mine, Rev. Joseph Saintil, who's a Haitian Pastor and a brother to me, reminded me of Luke 10:2, "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into His harvest field." Then Joseph asked me to listen. He went on to stress that when I pray about this, listen. Listen to Jesus speak to your heart about this. We know His voice. But my difficulty at times is to listen with all of the "worldly noise" around me.

I just ask that all of us take some time to listen. In John 10:14-16, Jesus reassures us that He is our Good Shepherd. He knows each of us. He knows all of our "stuff", the good and the bad. He knows everything that is going on in our lives. And He calls to us, and reminds us that as His sheep and as His flock, we do know His voice. The challenge for each of us is to listen in the midst of all of "life's noise."

Our Chrysalis Community has been so blessed to have such a great group of workers, young and not-so-young alike. But as we are reminded of the plentiful harvest, more workers are needed. It may be sponsoring a young person on a flight, working a flight, volunteering to serve on a committee, serve on the Chrysalis Board, joining in the 72 hour prayer vigil for a flight, to serve at the Saturday evening dinner, help with a Hoot, to give agape or snacks for a flight, participate in candlelight, and the list goes on.

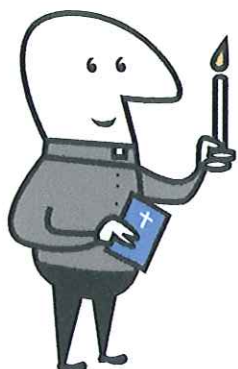

It is really the prayer of the Board that many more people from within our Chrysalis Community become involved.

In closing, I wish to thank Doug Mager for all of his service as the previous Community Lay Director. He has been a great mentor for me as well as countless others; and has certainly laid some solid foundations for us to continue to build upon. I also thank all the others who have provided me with encouragement and much needed wisdom.

As we are all here to serve, I encourage everyone in our Community to express their ideas, concerns, and opinions; and certainly participate.

Fly With Christ,

Jac Padgett

From our Community Spiritual Director

Dear Chrysalis Community,

We often have so much to say about our "3 Day Experience" when we come home from a Chrysalis weekend. Whether we have been a Caterpillar or been a part of the team, we all have wonderful stories and memories of what we "did" together and in the privacy of our hearts. And that's GREAT!!! But, the primary focus and mission of a Chrysalis or Emmaus weekend is not about an event or a great time of getting to know other Christians. The real value of the experience is strengthening the relationship between ourselves and God. It is another step in a journey that will bring us closer to the very heart and mind of the Creator and help us to be a stronger part of the Body of Christ.

Please use the weekend, either as a Caterpillar or team member, to refresh your spirit and to make new friends.... but NOT to think that having gone on a flight you have reached any kind of goal! We have been given a great tool to help develop Christian attitudes and hearts in a loving joyful setting. But we are still "works in progress." If anything we should more awareness that the world does not revolve around us and that we are much more value to God (and ourselves) when we are serving others. Be encouragers and faithful friends to all those around you, not just Chrysalis buddies. Remember, Christ is counting on you to share His love with the world and allow others to see hope for their situations by the way you live your life. Be strong to stand for what you know is right and be forgiving to those who have stumbled or wandered astray. Be a blessing.... and be blessed!!

With joy, (con alegría)

Pastor Bob

From those Music People...

Something that has been on my heart a lot lately is worship. Worship is defined as extravagant respect or admiration of the Almighty God. I want this weekend to be a time of extravagant respect and admiration for my Father. Yes, we are going to have a ton of fun, and if you know me, you know I am all about fun. However, I also want this weekend to be a time where we grow in our relationship with the Lord. I want everything to fall in line with what God wants. Please pray that the Lord will prepare hearts and soften calloused hearts for what's in store. Music is an awesome tool, and I believe it is very important. It speaks so loudly to people in so many ways. Please pray for me. Pray that each song will be played at the right moment. Pray for me to have the ears to hear, but the heart to listen to the Lord. I want everything we do to glorify Him. Most of all, I want the girls to see Love, feel Love, and know Love because God is love. (1 John 4:8) Thank you in advance for your prayers and encouragement as we travel the road ahead.

Jennifer Harris

Journey #8

Worship

Hello Chrysalis Community, my name is Joshua Harris and I will be heading up the next Boy's Flight as Music Director. The Lord has laid music ministry on my heart for the past 13 years or so, and I never take it for granted. I know the Lord gave me this desire in my heart and it is my duty to spread the love of Christ through singing and praising our Father in heaven. On behalf of the whole music team we truly covet any prayers that go out for us, not only for the music, but the whole leadership team. Once again thank you in advance for everything you have done or are going to do for the weekend's flight.

Fly with Christ,

Joshua Harris

FROM THE LAY DIRECTORS:

November 21-23, 2008 is quickly approaching and marks the date for Chrysalis Flight #54. When asked to accept the position of Lay Director for the flight, my first response was surely your joking? Then as I was praying, I asked God why He would want me to serve in leadership? Doesn't He know how silly I act? Doesn't He remember the things I've done? Why me? But then I felt His answer of yes I know you can be goofy and yes, you have failed but God still loves me and He still wants each of us even with all the junk in our lives.

So as I was purchasing the candles that each of us light as a team and is then melted into the large candle that is used during the flight, I couldn't find just the right color. And then it hit me right there in Wal-mart. God has chosen each of us and He is there to help us in life and as we light our own candles in life, regardless of the size, the color, expense, or scratches and imperfections each of our life candles may have, Jesus still wants us and He is calling.

Our first team meeting is now complete and after each person added their candle to the pan and Clergy prayed over each person, I reflected on the various colors melted together. I don't know what color the big candle will be or the impact the flight will have but I do know that only Jesus can keep my light glowing and that He will melt us into His perfect plan in His time.

Guaranteed, Flight #54 will include some goofiness and some loud music (yes, the girls are gonna rock)! But most of all, Jesus will be there and it's going to be AMAZING!

Flight #54 Lay Director

Chuck here. I'm not much for making up fancy articles, so I'll just say that I'm really excited about being the Lay Director for the upcoming boys flight #55. Hunter Lavoine is the youth lay director. Our scripture is Deuteronomy 31:6 "Be strong and courageous! Do not be afraid! The LORD your God will go ahead of you. He will neither fail you nor forsake you." God has been busy putting together a good team and we've just finished our first meeting. It went very well. We ask that you keep all of the team in your prayers, as well as praying for the caterpillars we will be ministering to on the weekend.

What do the YOUTH LAY DIRECTORS have to say?

I am so excited to be Youth Lay Director for this flight. I have worked many flights and feel very privileged to serve as YL on this particular flight. Many of the team members are close and dear friends and I even have my mom, sister, and Pastor serving on this flight. I will continue to pray for the wisdom and strength to be a leader on this team and will remember to remain humble as a servant. I am looking forward to all the awesome plans God has in store for all on this flight.

What is sponsorship?

Each young person who attends Chrysalis has a "sponsor" who supports and encourages him/her before, during, and after the Chrysalis experience.

Sponsorship is the way in which the Chrysalis experience is passed on from person to person, reflecting the manner in which God purposefully reaches out to people through other people. After a Chrysalis Weekend, participants want to share the gift of those three days with others. Sponsorship provides them a caring and disciplined way for them to share. And in doing so, sponsors participate in and demonstrate God's outreaching love.

Sponsorship is taken for granted in many communities. The assumption is that everyone knows the how and why of sponsorship. Sometimes sponsorship is only discussed with reference to the number of participants signed up for a Chrysalis Weekend.

Sponsorship, however, is the most important job in the Chrysalis Movement. It is a job shared by the adults who have been through Emmaus and the young people who have been through Chrysalis. It is more than simply "signing youth up." The importance of a Chrysalis Community being educated about good sponsorship cannot be overemphasized. The quality of sponsorship impacts the new participants, the health of the Chrysalis Movement in an area, and the churches being affected by Chrysalis.

We have sponsorship training before each Hoot.

So if you are new to sponsoring, please try to attend the next sponsorship training at 5pm, December 13th at Union United Methodist Church, Brazil.
