

From our Community Spiritual Director

Dear Chrysalis Community,

Sometimes I just don't get it. (Well, A LOT of times I just don't get it!) I don't understand why people make such a HUGE deal of New Years Eve. It happened again this year. Thousand of dollars spent on celebrities and bands, parties and fireworks to watch a million dollar, flashing, crystal ball drop down a pole and illuminate a lighted sign: 2009! Whoopee! We talk about the country being in a depression and how many folks don't have food to eat or cloths to wear, but we can throw 3,000 pounds of confetti of roof tops when we turn the page on the calendar! Give me a break!

Seriously, what difference does it make? Why do more people around the world celebrate New Years Eve more than the REAL holiday of December, the birth of Baby Jesus just one week before?

I think the answer is in the hope of really having a chance of starting over... fresh... new...clean. People look back at the lives and see mistakes, bad decisions, and hope for a "do-over!" The sad thing is that they look in the wrong places. Nobody has really found a new life at Time Square or at any of those places made famous by their celebrations.

However, every person has the opportunity to find new life, right where they are, any moment of any day when they turn their life over to Christ. Do your friends know that? Does your family? If not... who do you suppose needs to let them know?

My prayer is that the way you live your life and witness to those around you brings an opportunity to wish someone a "Happy New Life!" Have a blessed 2009!

With joy,

Bob Kumpf

From our Community Lay Director...

DECOLORES AND GREETINGS TO ALL,

Thanks to all who were willing to serve on the Fall Flights and thanks to those that are now serving on the Spring Flights. Please be in prayer for the teams and the caterpillars for the upcoming Flights. In Luke 4:8 we are reminded by Jesus that "It is written, You shall worship the Lord your God, and him only shall you serve." In today's society with so many distractions and emphasis on materialistic things, it is ever increasingly difficult to focus on Whom we should be serving. Our community is so blessed to have such a group of devoted servants and disciples. But let's all continue to pray daily for a servants heart.

Many exciting things are happening in the Chrysalis Community. We are seeing more college-aged young adults getting involved. We now have a video clip that serves as an introduction to Chrysalis. We are distributing to area churches the video clip along with booklets that further describe the Chrysalis Experience. We are hoping to elevate the awareness of Chrysalis within area churches and youth groups. Jennifer Harris is also organizing our second annual Christian Rock Concert for this upcoming summer. Anyone willing to help Jennifer or serve on the committee, should contact her.

The Chrysalis Board will have a training session and joint meeting with the El Shaddai Emmaus Board on March 14th. Please pray that God will open the minds and hearts to all that attend, and that we will be receptive to hearing what it is that God is wanting us to do as a unified community. I am very excited about this upcoming meeting and I sense that God is going to reveal some amazing things to both groups. So please pray for the meeting and for the attendees.

FLY WITH CHRIST,

Jac Padgett

Youth Board Member Comments

Hey Guys! As most of you already know Chrysalis is an AMAZING thing! But what makes it even better is getting involved. Working Chrysalis Flights and getting the blessings out of watching your friends go through the weekend and seeing their transformation is awesome. I have worked one flight and getting ready to work another and I am so excited! Another way I am involved in the Chrysalis community is that I am a member of the Chrysalis board. Getting involved is so important because not only do you help others in their walk with Christ, but it helps you stay on track. Not to mention all the new friends you gain. So do your part and get involved!

Flight Lay Director Comments

Dear Chrysalis Community,

I just accepted the position of Lay Director for flight 56 of the boys spring Chrysalis. In just 3 days we have the leadership team just about finalized and are preparing for our first meeting. The Lord is moving right before our eyes & it's very exciting to watch how HE puts things together.

We ask that you keep us in your prayers, that GOD would prepare us for service & that HE would open the hearts & minds of the boys that will be transformed this spring.

Flight verse is John 15:16. "Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and that your fruit should remain: that whatsoever ye shall ask of the father in my name, he may give it to you.

Fly with Christ - Jerry Purcell, Lay Director Flight 56

Chrysalis Boys Down Under

Many of you know George Fisher and Andy Joliff. They are part of our Chrysalis Community and they are now studying in Australia to become missionaries. They are definitely listening to God and following His direction. They both exemplify how God is working in our community. Below is a note from both of them.

Greetings!

These past few weeks have been pretty amazing! God's been moving so much and we have been learning tons! Two weeks ago we studied "Forgiveness and Repentance." And on the application day, Friday, we all confessed any sin in our lives and nailed it on the cross. It was a very intense but a good day. We would confess our sin to the group and then we would get prayed for by two leaders that were at our sides the entire time. After the prayer was over, we would go to the cross and nail our list of sin to the cross. It was a symbolic thing that made it so real and also showed us how we need to go the cross every time we need forgiveness and to fully repent from it.

This past week, the topic was "Worship and Intercession." We learned about what it really means to come to Christ in worship and how to pray as a group for things other than ourselves. One thing that really stuck out to us was to really come to worship with a clear mind. Then before you start, you ask God what He wants us to do during this time. It may be to kneel, dance for joy, or even draw a picture. Whatever it may be Christ will allow you to show His worth to you through it. And He may even speak to you on things you need to work on.

So every week things keep getting better and better. Christ keeps on moving more and more and we try to soak in every aspect of Him we can. The strict schedules are challenging at times, but we know Christ has something to say to us during every part of the day. We want to thank everyone again for the support! And we thank you for your prayers also, as you are in ours!

God Bless!

Andy & George

What is sponsorship?

Each young person who attends Chrysalis has a "sponsor" who supports and encourages him/her before, during, and after the Chrysalis experience.

Sponsorship is the way in which the Chrysalis experience is passed on from person to person, reflecting the manner in which God purposefully reaches out to people through other people. After a Chrysalis Weekend, participants want to share the gift of those three days with others. Sponsorship provides them a caring and disciplined way for them to share. And in doing so, sponsors participate in and demonstrate God's outreaching love.

Sponsorship is taken for granted in many communities. The assumption is that everyone knows the how and why of sponsorship. Sometimes sponsorship is only discussed with reference to the number of participants signed up for a Chrysalis Weekend.

Sponsorship, however, is the most important job in the Chrysalis Movement. It is a job shared by the adults who have been through Emmaus and the young people who have been through Chrysalis. It is more than simply "signing youth up." The importance of a Chrysalis Community being educated about good sponsorship cannot be overemphasized. The quality of sponsorship impacts the new participants, the health of the Chrysalis Movement in an area, and the churches being affected by Chrysalis.

The Next Two Sponsorship Classes Are:

March 14th, 3:30pm

at Mount Pleasant Church, 3050 E. Davis Dr., Terre Haute
